Russian Interpretation of verses 1&2 by Alexey Kolodnyak:

Как звезда вдалеке (Like a star in the skies)

Свет души твоей во тьме (Shine your soul's light in the darkness)

Руку мне протяни, в наши дни (Reach out your arms to me in our days)

Мост к мечте – твой ответ (A bridge to a dream — your answer)

Трудно там, где цели нет (It's difficult where there is no hope)

Руку мне протяни, в наши дни (Reach out your arms to me in our days)

Скажи мне брат, я был неправ (Tell me brother, I was wrong)

Не слыша песен твоих глав (Not hearing the songs of your life)

Сестра, за слезы ты меня прости (Sister, forgive me for your tears)

Поверьте мне друзья мои (Believe me, my friends)

Быть может я сошел с пути (Maybe I had lost my way)

Но жизнь свою построю на любви (But now I will build my life on love.)

В наши дни.. в наши дни... (In our days)
